

## **Stanwood Youth Football Financial Aid Application**

Stanwood Youth Football is a non-profit 501 c (3) organization run by volunteers. Our organization's funds are limited. Financial Aid assistance will be carefully selected according to each season's budget.

Financial aid is offered to those in need; decisions are not based on talent or achievement of the player. Stanwood Youth Football uses a variety of different tools to determine eligibility for financial aid. The more specific you can be about your financial situation and/or need for financial aid, the quicker the financial aid committee will be able to evaluate your application. Your parent letter should outline why your family is in need of financial assistance, your player's love of the sport, his or her goals for football and how the applicant believes that a financial scholarship will help his/her player achieve their goals.

Please be sure to fill out this application in its entirety. Applications with missing information, such as letters or verification documents, will be returned for completion. Incomplete applications may miss the deadline or be denied financial aid assistance.

Please note that the Financial Aid Committee may request an interview with the parent to further investigate the need for assistance or to inform the applicant of the terms for receiving financial aid.

**Limited funds are available. Financial Aid is awarded in various amounts; not all aid is equivalent to full player fee. Funds available for financial aid vary from year to year. You must apply for financial aid each season.**

Awardees (and/or their parents) may be asked to volunteer service hours in addition to other required volunteer hours or fundraising opportunities. Volunteers and fundraisers are the backbone of our organization and your support is a necessary component.
