I, _____, legal guardian of _____, do hereby agree to hold harmless STANWOOD YOUTH FOOTBALL (SYF), and NORTH SOUND JUNIOR YOUTH FOOTBALL LEAGUE (NSJYFL), it's coaches, board members, and associates, with regards to any and all, real or potential injury as a result of my decision to use personally procured equipment to participate in any and all football games, practices and/or any other events, equated to, conducted by, or promoted by SYF and NSJYFL. I fully understand that SYF and NSJYFL can provide equipment to me, but I voluntarily choose to use non-issued equipment for the reasons stated below in my hand (please print):

All equipment provided must be NOCSAE certified and kept current on re-certification. Documentation must be provided, which will be then be approved by SYF before use. Keeping in practice with Stanwood High School's policy on personal equipment, if player uses their personal helmet, and is planning on using it for the next season, said helmet must be turned into SYF at the end of season and stored safely by SYF for the upcoming season. This ensures that proper recertification is in order. I accept total responsibility for the proper fit and maintenance of my equipment. I, by my signature, notify SYF and NSJYFL that it is my whole belief that there are no limitations to its protection value or its conditions for use.

For all to know, by my signature, I declare on my oath, that the above statements are true to fact and I willingly place my signature this _____ day of _____, _____.
